

Bike It+ Christmas Wreath Competition 2019

*Monday 2nd November
- Friday 13th December*

Each school will create a bicycle wheel Christmas wreath. We suggest that any student that wants to can submit a design. Each class then votes on their favourite design in their class. The Bike It crew then select the overall winning design which the school will create. How you come up with your final design is up to you.

TravelChoice will judge all schools final wreath designs. This year the prize for first position will be the winning of four brand new Tadpole+ Frog Balance bikes and helmets or if you prefer two brand new KS1/2 bikes for children to borrow during school learn to ride or cycle skills sessions.

Please ask your School Bike It Champion for a poster template.

Ideally poster entries must be in by Friday 7th December to allow Bike It Crew time to choose and make the final entry. Please email final designs to the Bike It officers by Monday 17th December.

Best of luck everyone!

If you wish to take part please contact either
Gail or Eric the Bike It Officers
